About Us

Experience the Kandydina Difference

Kandydina, Inc. is a homecare agency whose mission is to provide a superior, person centered, compassionate in-home care that helps our clients remain safe, secure, comfortable and independent in their own homes.

We accomplish these goals by providing you with experienced, trained, dedicated, caring, warm, compassionate and dependable caregivers that turns homes into healing environments.

We are a fully licensed, fully insured, friendly and affordable home care agency that handles your care needs in a professional and confidential manner. We are dedicated to providing care to your satisfaction, and in making a positive difference. We bring positive in-home care to you and/or your loved ones.

Licensed | Affordable | Professional | Certified and Trained Staff | Individualized Services Based on Needs | Team Work | Great Attitude | Great Interpersonal Skills

Because caring is what we do best, **Kandydina, Inc.** strives to apply all knowledge, expertise and experience in the delivery of effective home care services.

Services

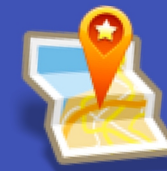

Kandydina, Inc. provides non-medical in-homes care for adults in a community setting. Our services are provided with respect for the individual who needs assistance. Services are provided 24 hours a day, 7 days a week, and are based on the needs and the preferences of the individual.

Specifically, our services include but are not limited to:

- ✓ **Personal Care** such as bathing, oral hygiene, hair and skin care, dressing and changing of clothes as needed.
- ✓ **Homemaking or Light Housekeeping** such as sweeping, vacuuming, mopping, cleaning, dusting, laundry, emptying and removing trash to maintain a clean, safe and healthy environment.
- ✓ **Medication Assistance** by reminding our clients to take their medications and ensuring the right medications and the right doses are taken at the right time. If our clients are not able to take their medications, our certified CMTs will administer the medications as instructed by the client's physician. We also assist in accompanying the client to medical appointments and following up with future appointments.
- ✓ **Respite Care** is for family caregivers to get a break from their caregiving duties. We offer temporary relief that can span a few hours a day, a weekend or night-time care.

- ✓ **Companionship and Comfort Management** are provided by interacting and showing empathy, learning to listen and responding to our client's needs.
- ✓ **Alzheimer's/Dementia Care** is provided to ensure safety, focusing on social engagement, understanding behavior, communication, fall prevention and implement measures to avoid wandering.
- ✓ **Monitoring and Supervision** are provided by supervising and monitoring the client for safety and for any changes in behavior and in their physical appearance.
- ✓ **Meal Preparation** by assisting in preparing and serving meals to our clients
- ✓ **Errand Service** is provided by assisting clients in grocery shopping and in picking up medications from the drug store.
- ✓ **Community Outing** is provided by taking our clients on a walk around the neighborhood.
